

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Approve the Stockton Fire Department Training Agreement

MEETING DATE: November 15, 2006

PREPARED BY: Michael E. Pretz, Fire Chief

RECOMMENDED ACTION: Approve the Stockton Fire Department Training Agreement and direct the City Manager to execute the agreement.

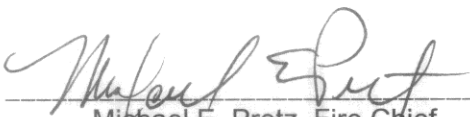

BACKGROUND INFORMATION: The City of Lodi, through the Fire Department, has used the Stockton Fire Department's fire training academy to instruct newly hired firefighters for the City of Lodi since 2001. This fire training academy will train the 4 newest members of the department. The fire academy is a 16 week program and teaches necessary firefighting skills. Successful completion of the academy is required to become a member of the Lodi Fire Department. Since the inception of the program in 2001, over 40% of the current Lodi Fire Department membership has successfully completed the academy. In fact, several of the academic and physical performance records are held by members of the Lodi Fire Department.

The Stockton Fire facilities were utilized due to overtime costs and lack of appropriate training facilities in Lodi. The fire academies are joint ventures with new hire members of both Stockton and Lodi firefighters. The Lodi Fire Department also sends a liaison firefighter and the Training Officer to monitor the progress of the attendees. In addition, the Lodi Fire Department provides instructors during the academy as needed.

FISCAL IMPACT: \$18,000 plus Fire Department staff involved in providing training at the academy.

FUNDING AVAILABLE: Fire Department Training Account
